She has also been selected for the North Region Women's Artistic Squad 2 years running. She has recently been to an international training camp in Portugal and represented her club at the Adrian Stan Cup (British Team Championship) as an under 12, in the Junior category (14-15 year old's). She will be moving to the compulsory pathway next year and is also due to compete as an espoir at the English Championships and the Challenge Cup 2019. She trains 27 hours a week and more through the holidays, to enable her to reach her dreams.
