		<p>contracted cleaning staff.</p> <ul style="list-style-type: none"> ▪ Cleaning staff/kitchen staff will follow their own departments risk assessments and cleaning routines/ procedures as provided by their respective Local Authority departments. ▪ Prop doors open if safe to do so to limit use of door handles. This will include doors in classrooms, doors in corridors and doors into the hall. All outside doors will remain closed with fob entry access. The main office door will remain closed to limit access in the small space. ▪ Access to testing available should illness be suspected. ▪ Staff advised of isolation period should illness be suspected by headteacher at staff briefings. ▪ The Headteacher will telephone/e-mail the Local Authority should we have any suspected COVID cases in school. 				<ul style="list-style-type: none"> ▪ Staff are prepared for the possibility of a localised/full lockdown – home learning packs are ready to send home, online learning platforms are licenced and in place. ▪ Any pupil who does not attend school will be contacted before 10am to find out the reason why (if they have not already contacted us) A log of absences and information on any tests taken is available in the school office in order to track and trace if necessary. ▪ Advice about who to call if an outbreak is suspected is pinned to the noticeboard in the main office and the headteachers office and contains names and contact information. ▪ Public Health advice about self-isolation is pinned to the wall beside the phone in the main office and on the noticeboard in the headteachers office. ▪ Pupils or staff only need to isolate if they have any symptoms of COVID (High temperature, new, continuous cough, loss or change in sense of smell or taste; <ul style="list-style-type: none"> ➢ They have a positive test ➢ They are a close contact of a confirmed case or are contacted by NHS Test and Trace ➢ They are a household member of someone who is symptomatic or has a positive result. ➢ Anyone who lives with a household member who is a contact of a confirmed case does not need to self-isolate, it is only the contact who needs to do so. ➢ If the contact goes on to develop symptoms or has a positive test result, then all household 			

What are the hazards?	Who might be harmed and how?	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as	Likelihood	Severity	Residual Risk L x S
						<i>members should self-isolate for 14 days (even if they have a negative result this time).</i>			
Clinically vulnerable staff and pupils	<ul style="list-style-type: none"> Significant risk to those categories of people through contracting COVID 	<ul style="list-style-type: none"> Any pupil unable to attend school because they are complying with clinical advice will be offered home learning packs and given access to online learning platforms. Their absence will not be penalised. Occupational Health referrals have been made for all staff who have been absent through shielding/clinically vulnerable. 	3	4	12	<ul style="list-style-type: none"> Occupational Health advice will be adhered to when deploying staff on their return to work in order to protect them. If necessary, staff will be deployed in roles where there is more chance of social distancing being maintained in order to facilitate their return to work. If rates of infection rise in the local area this category may be advised to shield again and they will then be offered support for home learning/working. 	2	4	8
Entry and exit to and from school for pupils	<ul style="list-style-type: none"> Staff, pupils, parents all at risk of contracting virus Close contact with large groups arriving and leaving at the same time. Large number of parents on school site. 	<ul style="list-style-type: none"> Staggered entry and exit timetable in place for current year groups in school. Clear and prominent signage already installed; footprints on floor. 	2	4	8	<ul style="list-style-type: none"> Staggered entry and exit from school for each group of children with clearly marked routes in the school grounds for children and adults to follow. This has been relayed to parents via a letter, staff in daily meeting and is documented in the COVID file. No visitors/parents will be allowed onto the school premises wherever possible. They will also be advised not to gather at the school gates. This will be relayed to parents in a letter, via Twitter and is documented within our COVID File. Parents will continue to be advised to ring the school with any questions/problems and request a telephone appointment. 			
Staff:Pupil Ratio	<ul style="list-style-type: none"> All involved Not enough supervision through staff absence 	<ul style="list-style-type: none"> Staffing will be assessed daily to ensure adequate cover of staff:pupils, First Aider's and DSL's. 	2	5	10	<ul style="list-style-type: none"> Staff have been advised that if they take a holiday during school holidays they need to allow sufficient time for 14 day quarantine on 	2	3	6

What are the hazards?	Who might be harmed and how?	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as	Likelihood	Severity	Residual Risk L x S
	<p>could lead to risk of accidents, passing on of infections.</p> <ul style="list-style-type: none"> Risk of staff not returning from booked holidays due to quarantine/ lockdowns. 	<ul style="list-style-type: none"> First Aider present each day (qualified available staff include 2 First Aid at Work, 2 Paediatric First Aid and 8 First Aid) Lunchtime sports coach provides additional activities daily assisted by member of staff. 				return. They should also consider the implications should they be locked down in the place they are visiting. Governors have agreed that if they are unable to return for school reopening it will be classed as unpaid leave.			
Classroom Management and Year Group Bubbles	<ul style="list-style-type: none"> Staff at risk from extended periods of contact with pupils Pupils at risk through mixing bubbles and contact with others Use of cloakrooms increases risk of cross contamination PE in the school hall will pose risk to all as social distancing will not be possible and cleaning and hygiene cannot be guaranteed throughout the school day. School meals in the hall poses a risk to all as no social distancing possible. Increased number of SEN children returning to school with specific needs Some pupils may 	<ul style="list-style-type: none"> DfE guidance states that ideally adults should maintain a 2m distance from each other and children. Pupils will resume the wearing of school uniform and outdoor PE kits in order to restore a sense of normality for pupils. Coats will continue to be put on the back of individual's chairs and packed lunches will go under their desk. Each group of children will be kept separate and will not mix with any other group in school having separate break times, lunch times. This has been relayed to staff in daily meeting and is documented in the COVID file which is available for all staff. Toilet breaks for pupils monitored and numbers limited at any one time. Ensure classrooms are well ventilated with open windows 	2	4	8	<ul style="list-style-type: none"> Desks will be spaced apart and facing the front of the classroom as advised by Government. Teachers advised to stay at front of class as far as possible (consider the use of a visor where close contact cannot be avoided). All PE will take place outside to minimise contact as social distancing and guaranteed cleaning and hygiene throughout the school day cannot be guaranteed in the school hall. Contact between groups will be avoided. School hall/classrooms/outdoor areas will be used for lunchtimes Older children in particular will be encouraged not to touch staff or peers. Movement around school will be kept to a minimum avoiding busy corridors, entrances and exits through staggered school day Assemblies and collective worship will not take place for whole school – individual year group classroom based worship will be timetabled. Reception pupils will eat their lunches in the school hall. Pupils from Year 1 – Year 6 will eat in year group 'bubbles' in their own classroom. Pupils will access outdoor areas within their 	2	3	6

What are the hazards?	Who might be harmed and how?	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as	Likelihood	Severity	Residual Risk L x S
	display challenging behaviour after spending so long out of the school setting	<p>where possible.</p> <ul style="list-style-type: none"> ▪ Access rooms from outside wherever possible. ▪ Outdoor areas to be used as frequently as possible to reduce risk of transmission indoors. ▪ Pupils will be advised not to bring unnecessary bags and personal belongings, including mobile phones, into school with them if possible. Pens, pencils etc will all be provided in school and sanitised regularly. ▪ Any shared equipment will be cleaned frequently and kept out of service to 48 hours (72 if plastic) between use by different bubbles. ▪ I-Pads will be allocated to individual children and sanitised regularly by staff using anti-bacterial cleaner which is COSHH assessed (Data sheets available). ▪ Staff to reduce amount of time in face to face contact with pupils to lower risk. 				<p>own 'bubble'.</p> <ul style="list-style-type: none"> ▪ Educational visits will be considered on an individual basis and risk assessed accordingly when the time is right. ▪ Residential trip planned for Derwent Hill in November has been cancelled in line with current advice. ▪ SEN children will be provided with support through the booking of extra specialist agency supply staff to ensure their needs are fully met. ▪ Teaching staff may take home books and shared equipment although unnecessary sharing should be avoided, particularly if it does not contribute to pupil education and development. ▪ Staff will support pupils as they renew their friendships and talk about their feelings and experiences during COVID-19. ▪ Schools Behaviour Policy will be reviewed by September and discussed with Governors and staff to ensure rules are adequate for a full return to school. ▪ Support will be available for pupils displaying challenging behaviour through the purchase of SLA for Behaviour Support and the services of a Pastoral Support Worker for one afternoon a week to support mental health and wellbeing. ▪ Workshop on Managing Challenging Behaviour planned for Autumn Term through Safeguarding provider. ▪ Staff to send all photocopying from their class computer to avoid unnecessary visits to the photocopier. ▪ Use a rubber ended pencil to type in on 			

What are the hazards?	Who might be harmed and how?	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as possible?	Likelihood	Severity	Residual Risk L x S
						<ul style="list-style-type: none"> computer screen to avoid touching it. Reduce visits to collect copying. Outside providers (Sports, Music) coming into school should sanitise hands on entry and made aware of protocols and class bubbles. Instruments should not be shared unless sanitised in between use. Any IT equipment used during music should be wiped down before and after use. Any singing should take place in a well ventilated area (Hall, outdoors) and pupils should not be facing each other. Loud singing should be discouraged. 2m distancing should be observed as far as possible when teaching. 			
Vulnerable Children	Children not attending school. Adequate DSL cover on site each day.	<ul style="list-style-type: none"> Vulnerable children not attending school through parental choice will receive a welfare call from a member of the SLT weekly to ensure they are safe and well. Ensure adequate DSL cover available on site each day. 	2	4	8	<ul style="list-style-type: none"> SLT to continue to pursue telephone calls and record conversations on proforma. Safeguarding protocols strictly adhered to should any concerns come to light. All calls are logged on CPOMS. KCSIE will be updated and implemented in September and staff will receive new guidance and training. 	2	4	8
Mental Health and Wellbeing	<ul style="list-style-type: none"> Staff at risk – extra workload and strain of adhering to ‘new protocols’ Stress – concerns for physical and mental health Pupils display low mood, anxiety and 	<ul style="list-style-type: none"> Staff have opportunities to voice concerns and request support and advice. Wellbeing of Headteacher is supported and monitored by Chair and Vice Chair of Governors. Pupils mental health and emotional wellbeing is considered and addressed by staff. 	3	4	12	<ul style="list-style-type: none"> Pastoral Support Worker will resume role one afternoon per week in school to support pupils. First week in September will focus on mental health and wellbeing through discussions, projects and support in classrooms. Staff work-life balance and wellbeing will be monitored constantly by Governors and SLT. Governors will monitor work-life balance of Headteacher. 	2	4	8

What are the hazards?	Who might be harmed and how?	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as	Likelihood	Severity	Residual Risk L x S
	<p>stress in response to COVID-19 outbreak</p> <ul style="list-style-type: none"> Parents wellbeing through isolation of lockdown, financial worries, health concerns 	<ul style="list-style-type: none"> Staff continue to be signposted to Wellbeing support. Headteacher continues to be supported by governing body Social interaction with peers and staff benefits pupil wellbeing. 				<ul style="list-style-type: none"> Pupils will return to the class teacher they left in March for the first week of the Autumn Term to allow them the opportunity to share their experiences and talk about their feelings. 			
Reopening of Breakfast Club	<ul style="list-style-type: none"> Reopening Breakfast Club will be extremely difficult to manage considering staggered entry and segregation of year group bubbles posing a risk to all involved. 	<ul style="list-style-type: none"> Staggered entry system for each year group to provide a secure entry into school building will be in place however this would impact arrival of children for Breakfast Club. Advice from Government is that groups should be kept in their own bubbles therefore as Breakfast Club age range varies from Reception to Year 6 this would be impossible to maintain. 	4	4	16	<ul style="list-style-type: none"> Breakfast Club reopening delayed until at least after half term as unable to guarantee safe entry into school and unable to segregate pupils into individual year group bubbles. 	3	4	12
Reopening of After School Clubs	<ul style="list-style-type: none"> Reopening After School Clubs will be difficult to manage whilst staggered exit system is in place and segregation of year group bubbles posing a risk to all involved. 	<ul style="list-style-type: none"> Staggered exit system for all year groups to provide a safe exit from school will be in place. Advice from Government is that groups should be kept in their own bubbles therefore Clubs would be limited to an individual year group. Difficult to run Sports Clubs as weather in Autumn may impact the use of outdoor space and contact sport not possible. Pupils need time to settle into the 'new' normal routines of staggered 	3	3	9	<ul style="list-style-type: none"> After school clubs restart delayed and will be reviewed later in the term when the time is right. 	2	3	6

What are the hazards?	Who might be harmed and how?	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as	Likelihood	Severity	Residual Risk L x S
		entry/exit and working and playing within their own bubbles.							
Visitors, Specialist staff, Outside Contractors	Risk of contracting, spreading virus to: <ul style="list-style-type: none"> All in school Visitors, contractors Signing in book not in use. 	<ul style="list-style-type: none"> Restrict number of visitors, contractors on site at any one time. Continue to make appropriate safeguarding checks where appropriate. Supply teachers, peripatetic music teachers can move between schools therefore will be allowed on site maintaining as much distance as possible. 	2	4	8	<ul style="list-style-type: none"> All contractors will be advised to make an appointment which is relayed when they telephone. Where possible they will come in before the children arrive or after they leave. Signing of the Asbestos Register/Legionella Register will still be mandatory as well as the digital register. To minimise the number of Supply Staff on site we have engaged two LSA's for a full half term to guarantee continuity of personnel. Sports coaches have been booked for a term and will timetabled on a rota basis which will restrict contact. Social distancing fitness will be timetabled to avoid contact sports. On site physical distancing expectations and hygiene will be explained to visitors who arrive on site. A digital visitor system has been purchased and is in place. 	2	3	6
Contracting Coronavirus by not following general hygiene and cleaning procedures.	<ul style="list-style-type: none"> Pupils, staff, visitors at risk of contracting virus. Increase in staff and pupil absence Spread of virus to immediate family members and wider community. Closure of school. 	<ul style="list-style-type: none"> General reminders for hygiene Posters prominently displayed. Effective hand washing facilities and soap available Follow usual absence periods for sickness Hand sanitiser and anti-bacterial wipes available for pupils and staff throughout school Children directed to wash hands upon entry to school and at other 	2	4	8	<ul style="list-style-type: none"> Site Supervisor/ Cleaner have increased responsibility to ensure deep cleaning of all areas in use during opening of school. Ensure all staff adhere to and enforce rules. Highly visible signage is displayed internally and externally – clear routes, hygiene posters. Ensure everyone adheres to social distancing if possible. Site Supervisor to ensure PPE is worn when cleaning high volume areas in school. Staff advised to use their own cup for drinks 			

What are the hazards?	Who might be harmed and how?	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as	Likelihood	Severity	Residual Risk L x S
		<p>regular intervals during the day including break time and lunchtime</p> <ul style="list-style-type: none"> ▪ Encourage good respiratory hygiene. Catch it, bin it, kill it – regular emptying of bins during the day. Lidded pedal bins in use throughout school. ▪ Frequent cleaning of all hard surfaces will be carried out by staff during the school day using anti-bacterial cleaner which is COSHH assessed. The contracted cleaners will carry out thorough cleaning of all surfaces and the interiors at the end of each school day. They will follow their own risk assessments and COSHH assessed cleaning products. ▪ Soft toys, furnishings and toys which are hard to clean will be removed from all classrooms. ▪ outdoor play equipment should be cleaned more frequently. ▪ Regular hand washing will continue to be rigorously enforced throughout the school day by all pupils and staff. ▪ Paper hand towels will replace hand driers in toilets. ▪ Cleaner/Site Supervisor will continue to ensure all high volume areas are sanitised. ▪ Site Supervisor has carried out all 				<ul style="list-style-type: none"> and be responsible for cleaning them. ▪ Antibacterial wipes provided for staff to wipe down boiler in staffroom after using. ▪ Staff reminded to wash their hands before and after touching anything in the staffroom. ▪ Office desks will be cleaned each day. ▪ Office telephone will be wiped down after each use. ▪ Meeting room tables should be wiped down after use by staff. 			

What are the hazards?	Who might be harmed and how?	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as	Likelihood	Severity	Residual Risk L x S
		relevant COSHH assessments relating to cleaning consumables. Any staff using cleaning equipment have been briefed on safe use.							
Risk of infection increases through second wave of virus: <ul style="list-style-type: none"> Increased absence in staff and pupils. Risk of spread. Public health alerts. Suspected cases in school or within community. Risk of localised lockdown Risk of full lockdown 	<ul style="list-style-type: none"> Whole school community and wider community Risk of not enough adequate PPE Closure of school Local figures of infection rate may see a potential rise and/or a localised lockdown. <p><i>Increased risk of contracting the virus for:</i></p> <ul style="list-style-type: none"> All pupils attending All staff on site Immediate family members of staff and pupils Local community <p>Increase in:</p> <ul style="list-style-type: none"> Risk to staff dealing with a sick child Risk of school closure Risk of inadequate staffing capacity due to absence. Risk of no DSL on site due to staff absence. Risk of no Site Supervisor/Cleaning 	<ul style="list-style-type: none"> Rigorous hygiene procedures. Regular increased cleaning of key areas by premises staff, e.g. door plates, handles, sinks, toilets Hand washing rigorously enforced throughout the day. Staff to wear adequate PPE when dealing with any ill child to minimise risk. PPE will continue to be purchased to ensure enough stock available in school. Encourage parents to keep children at home if any sign of infection. Send children/staff home if they display any signs of sickness. Isolate any children showing signs of virus until they can be collected. Communication received and shared from DfE, LA, School Governors. We will continue to follow the advice we receive from Government, DfE and Local Authority. 4 trained DSL's lowering risk of having none on site at any one time. 	2	5	10	<ul style="list-style-type: none"> A Contingency Plan for outbreaks is in place and has been shared with staff and Governors. Increased communication with key people, including Local Authority, parents, governors. Enforce quarantine from school during illness Send home <i>any</i> child or member of staff showing <i>any</i> symptom. Access to testing available for anyone showing symptoms. If school closes staff will be directed to work from home if possible. School will remain open to Critical Worker children and vulnerable children during an enforced closure. SLT to review situation daily. Staff have ready prepared home learning packs for each child to take home should an enforced closure occur. Deep clean of whole school through local arrangements with LA cleaning SLA. Increased contact with Chair of Governors. Brief staff with latest information from DfE, LA each morning before the start of the school day (Meeting in Hall at 8.15am each morning). Ensure contracted cleaning staff take adequate precautions to protect themselves when cleaning premises by following the Local Authority Cleaning department guidance, risk assessments and advice. 	2	5	10

What are the hazards?	Who might be harmed and how?	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as	Likelihood	Severity	Residual Risk L x S
	<p>staff on site due to staff absence.</p> <ul style="list-style-type: none"> Risk to all staff including Senior Leaders - increased mental and physical stress. Risk to pupils – mental health and emotional wellbeing 					<ul style="list-style-type: none"> Ensure Site Supervisor takes adequate precautions by following our Risk Assessment, guidance in the school COVID file and by wearing PPE when required. Headteacher meets with Site Supervisor throughout each day to discuss protocols, concerns. 			
Health & Safety Fire Safety PPE	<p>All involved</p> <ul style="list-style-type: none"> Staff could be infected when dealing with a sick child, e.g. risk of splashing through coughing, vomiting, spitting. Risk of correct PPE not being available meaning staff would not be protected and would not be able to carry out their duty of care to pupils who are sick. It was advised we should halt fire drills during lockdown by the LA H&S Team. 	<ul style="list-style-type: none"> All staff and pupils have access to hand sanitiser, adequate hand washing facilities. PPE has been purchased by school to include visors, face masks, aprons, gloves In the event a child is ill in school, staff should wear appropriate PPE <u>if it is available</u> to ensure adequate protection, e.g. mask, gloves, apron, visor. Gloves are ordered 'latex free' in order to protect staff from irritations. Staff ensure they keep themselves safe at every opportunity by limiting contact with pupils, other members of staff, parents, visitors. Risk of spreading COVID19 via heating and ventilation systems. Risk of children rubbing their face/eyes after sanitising their 	2	5	10	<ul style="list-style-type: none"> Stocks of PPE are constantly checked and replenished wherever possible, depending on supplier availability. Should we find ourselves without PPE and unable to source any we would contact the Local Authority who have confirmed they have a small supply of emergency PPE which they could make available. Fire drills will resume when we are advised it is safe to do so by the Local Authority H & S Team. In response to a rise in cases at both local and national levels (Sept 2020), TfC and DfE recommend that staff wear face coverings in areas outside the classroom where social distancing cannot be easily maintained such as corridors and communal areas i.e. when having a staff meeting in the hall. Children will not need to wear face coverings. Some individuals are exempt from wearing face coverings – these same exemptions will apply in school. 	2	4	8

What are the hazards?	Who might be harmed and how?	What precautions or existing control measures are presently taken.
