

12th February 2021

Dear Parents and Carers

Thank you for everything you continue to do at home to support your child with their learning. If we can help in any way please get in touch with us.

## Wellbeing Wednesdays

Wellbeing Wednesdays are a chance for everyone to leave their computer screens for an afternoon and do something for themselves that they enjoy!

We started our Wellbeing Wednesday this week with the book *The Colour Monster* read by staff.

## Pots of Joy

It has been wonderful seeing the photographs of your seeds starting to grow!! Keep sending them to us!

Our next home learning packs will be ready for collection after the half term holiday on **Wednesday 24th February** alongside your bagel and cereal packs supplied for every child through the Magic Breakfast scheme.

A reminder if you haven't already completed our survey, please spare a few minutes so that we can continue to support you and make our provision even better: (It is also on our website!)

### Google Meets

Please remember our Question and Answer drop in sessions if you need any support with school work.

### Half Term

We will reopen for children of Critical Key Workers on **Monday 22nd February**. Please remember to let us know your shift requirements and help us to keep our numbers safe and manageable by **not sending your children to school when you are not at work**.

The school e-mail will be checked daily during half term should you need to contact school to inform us of a positive Covid case so we can help with Track and Trace by contacting the class bubble to advise them to isolate.

We look forward to the half term and spending some time with our own families. I would also like to say a huge thank you to the staff for all their hard work and dedication in making St. John Bosco the special place it is for our school community.

God bless and stay safe, Mrs Peart
