

26th February 2021

Dear Parents and Carers

We hope you enjoyed your half term holiday and we are delighted that our St. John Bosco community can be reunited on 8th March. We are now busy updating our risk assessments, reviewing our policies and procedures, planning lunchtimes and reviewing our entrance and exit procedures. We will build on the successes of our September return and make some adaptations which we aim to share with you at the beginning of next week.

Lenten Focus

Our Lenten focus this year is 'Giving'. This year we have all given up so much so this Lent, let's give up 'giving up' and just give!

Check out our school Twitter page for daily reflections and suggestions.

LENT CHALLENGE 2021

We have given up so much already this year, so this Lent let's give up giving up and just give!

Let's do 40 challenges over Lent: love each other, greet each other, consider each other, forgive each other.

Lent Challenge 7
Give to the Community.
Make a donation to a food bank. Big or small, it doesn't matter. Little things make a big difference.

Lent Challenge 8
Give joy.
Celebrate the special people in your life! Tell those closest to you exactly what it is you love about them.

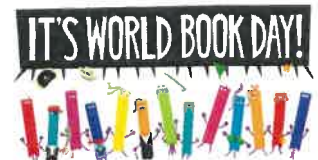

World Book Day—4th March

Watch out on Twitter, your Google Meet/classroom for our mystery masked readers!

Guess the **Mystery Reader**

Prizes available!

Watch out for the launch of our Reading Bingo Challenge!

Thank you for your continued support.

God bless and stay safe, Mrs Peart
