

To our amazing, talented and special Years 6 children

We wanted you to know we are so proud of you, you have worked so hard and showed great strength and maturity during these difficult weeks.

We missed you!

We know that normally now you would be preparing to leave us, you would be visiting your new schools and remembering your time at St. John Bosco. Due to the situation this is not possible—it is not the goodbye we would have wanted for you. However, there are virtual tours of your new schools on their websites together with work packs and contact numbers if you need extra advice/support. Mr Roddy is working hard on a video of the photographs and memories you have sent to us, so if you have not already done so, please try!

What is going on in the world right now is part of your journey, part of your story. You are living through history.

You all have unique skills and talents to share in the next part of your education. Your secondary schools are very lucky to share in your future successes. I look forward to hearing all about them.

Go, enjoy and build on your St. John Bosco foundations.

Keep smiling, keep being you!

Mrs Peart
