The school was built in 1968 and a Foundation Stage Unit was added and officially opened by Bishop Kevin Dunn in March 2005.

We aim to provide a safe, happy and responsible environment in which children can learn, enjoy and be valued as a unique individual.

A shared responsibility between the school and home is key to ensuring your child's time at our school is a positive experience.

We want all of our children to feel welcomed, happy and fulfilled. We recognise that all children are different and that these differences create opportunities for adults and children alike to learn more about ourselves and each other.

Extra Curricular Activities

We offer an extensive range of clubs which change termly for more details please visit our website: stjohnboscosunderland.org.uk

Clubs are charged on a termly basis in advance (apart from Homework Clubs which are free) - for more information on our current range of clubs please visit our website.

Breakfast Club

Our Breakfast Club runs every morning from 8am providing pupils with a nutritious breakfast followed by a fun fitness session with our specialist sports coach. We charge £2 per child per day which is paid in advance of the days required on a Monday morning. We welcome all year groups from Reception to Year 6.

Music Lessons

Our Pupils are encouraged to learn how to play a musical instrument from Year 1 onwards and we have wonderful specialist teachers who come into school each week to teach the Violin, Flute, Clarinet, Drums and Chalumeau. Places, however, are limited for this wonderful opportunity and we do have a waiting list of prospective musicians!

Safeguarding

We have designated personnel in school responsible for matters related to Child Protection.

Child Protection

Parents should be aware that the school would take any reasonable action to ensure the safety of its pupils. In cases where the school has reason to be concerned that a pupil may be subject to ill-treatment, neglect or other forms of abuse, staff have no alternative but to follow SSCB procedures and inform social care of their concern

Special Educational Needs

At St. John Bosco we believe that every child matters and every teacher is able to support special educational needs.

Children who have a Statement of Special Educational Needs have their statement reviewed annually with all parties involved. We recognise that children with special needs are more vulnerable to abuse and exploitation.
